“ I just discovered that Carrie has passed away. This truly has broken my heart. I was married to Carrie at a very young and immature age. Carrie was a beautiful woman with a heart that matched. She loved cats and her Smokey.

I still spoke with Carrie over the years and yet we had our differences. I still felt love for her and would do anything for if she were in need, all she had to was ask me to.

I just can not believe she's gone. I just found out last night and could not sleep from the pain of it. My heart goes out to her mother and family for their loss. For a mother to lose a child is a horrible thing to endure.

My mom went through it with the loss of my brother not too long ago. It was a terrible thing to see the grief a mother goes through at the loss of a child. I'm so sorry Kay may GOD BLESS and comfort you in this ordeal.

This earth has lost a good person with Carrie's death. May GOD bless her and take her unto his arms and comfort her. My heart is broken at hearing of this.
