“ My fondest memory of Bud is when we were in school. He was a true friend who never met a stranger. Always had a smile and could lift you up when you were down. I always thought I'd get a chance to say thank you for being a friend. I love you Bud and may Jesus greet you with open arms. Your friend James Rucker

“ My heart is breaking...for our loss and for this close family. Bud always had an encouraging word (especially after I had a solo). He certainly was a hard-working man who loved his family, friends, church and....his Savior. Thoughts, hugs, prayers and love...

Bud's kindness was beyond measure. He was so personable and could always say something to make me smile. He loved his family dearly and it was a joy hearing him speak of his grandchildren. I will always keep your favorite candy in the candy bag.

“ Bud and I have talked in the past how our daddies (Junior and Merle) pounded the work ethic in our heads. Their advice to us was work, work, work. Sun up to sun down if you ever wanted to have anything. So, we WORKED. I'll always cherish my memories of my cousin Bud Abbott.

*Bud is my favorite cousin. When I was little at my Granny's house I would hear him coming in his truck down the road and I would race out to the edge of the road to flag him down. He also is the one that inspired me and taught me about Bullriding. I remember all the trips that we shared in the Everglades with Uncle June and my grandpa Clarence Cooper and others. Love you so much Bud. I'll see you one day.*

*My dearest cousin Bud, I can't believe your gone. Don't seem real. I remember all the times you use to come to Okeechobee as a teenager, going camping and hunting and fishing with us at the River. You were like another son to daddy, Sherman Cooper, and a big brother I never had! You have left quite the legacy with your beautiful wife and family! You loved the Lord and loved the outdoors and loved being a cowboy. You will be so missed by so many! I love you cuz! Till we meet again. Rest In Peace.*

*Very sad to hear the tragic news, Bud being a few years older than us younglings was larger than life and we loved the opportunities when he would catch up with us and tell a story and share some wisdom and just have a little fun.*

*The great news is we will see Bud again....*

*Much love*

*I was shocked to learn of Bud's sudden passing. He was larger than life, and a person who is impossible to forget, not that anybody would want to. He was gregarious, humorous, and one that everybody wanted to hang around with. Although I hadn't seen him in several years, there are many fond memories etched in my brain that will be there until we meet again. Love and peace to all Bud's family and friends.
