“ I knew him as my Uncle Fatty... Strange name I know.. Not even sure who gave him that nickname but that's what I knew him as... He was the best at telling scary stories... Always knew how to scare me and some how always made me laugh because he turned everything into something nasty... Lmbo... I will miss his laugh the most... No one laughed like him... He had such a big heart... I love you so much and I will forever miss you, but finally he can rest... 😊

“ Louie was more than a friend, he was a buddy. We didn't get to see each other often but when we did the visit was full of hugs & you knew you were someone special in his life.
I'll miss your smile & warm eyes. Look for me on the other side, cause I'll certainly be looking for you! Rest well, my friend, you deserve it.
