“ it was a wish of Arts that people had a good party and laughed at the good times. Art made me promis that no fake tears and just good beer would be the best way to remember him.

“ Art was the wonderfu; crazy kind of family you could always go to. He was the Grandson of Henery West Baukat, And he was proud of it. He loved his grandson Buggy like crazy and let Buggy cut off his hair, eventook a picture of it as a way to explane what cancer was doing to his grandpa. I loved him dearly and am heart broken, no more calls of Hey Cuz and making fun of or just agood gossip. Well no he is with his wife and Grandma Holt what a happy time for them. I know how much Grandma Holt love him eventhough that long hair drove her buggy. Art was a kind man and was a wild one and hell raiser, I promised him i would not sugar coat it. As we talked about our fears of death and laughed at some of the crazy silly things we did as kids. The big old house held so many good family times, Art loved the Lemon fluff and red velvet cakes Grandma made. The food was always good no matter if it was fish and grits or steak.
