“ Aunt Bertha Lee was my daddys sister. She was ana amazing christian woman who loved everyone she come in contact with. But you knew better if you crossed the line with messing with her family. She lead such a life that will not be forgotten any time soon! Her absence was felt as soon as she left this ole world. Uncle Donald, ive been praying for u, that God will give you such peace that youll never understand. Peace to all of her children (my cousins) as well! I know the loss of a Mother. Its hard! It hurts! Its a pain that isnt going to go away any time soon. It will become manageable but not easier. My heart and thoughts are with you all today even tho I couldnt get there. I love you all and am here if anyone needs to talk! Uncle Donald, im just a phonce call away! Aunt Bertha Lee, you go rest high on that mountain! I know u had a smile when you seen Jesus' face! Youve waited for this day to be with our heavenly Father. I know you are at His feet at this exact moment! Give all of our loved ones our love and when we reach our finish line, I know you will be there among many others to cheer each one of us on! We love you sweet lady! Gone, but not forgotten! Love always!- your sweet Samantha (Ledford) & family

To the woman that made my dreams come true I will always love you Bertha to the moon and back. I know I'm just talking to the phone but it just helps a little bit think that I'm talking to you because I know you're listening , it helps eventually knowing that I was reading this obituary and it's long as you've been in mind Brad and DJ's life long is he been yours and his many times have you been around? You hurts to know that we won't even recognize your children as well because we did love you too late mom she was a mother figure in a life. I know when I lost my mom he was only Mother there to pick up the pieces and I appreciate that Bertha did help me knowing that I had another mother to go to, and I had a cramp in my side or I was going to the relationship advisor to talk to you understood you always did budget and I just wanna thank you for that from the bottom of my heart he will take me to God you're no longer there but you really are you still there are you still looking down on his birthday I love you beautiful my daddy misses you something terrible and therefore I'm here and there to keep a strong anything I can do.
