“ *The first time I met Mr.Bill it was like I'd known him my whole life. He came by the shop every day and we'd listen to oldies and talk about the good old days. There was so much laughter shared between us. I was blessed to have known him.*

“ *Ok let me try this again. Where to begin daddy thank you for loving me even when I was being bad. Thank you for being a wonderful papaw to my boys you have instilled some good qualities in them forever. Go rest high on your mountain with some great people who have left this world before you. Continue to be my guardian angel until the rest of my days. You will see on Saturday just how many people hearts you have touched. I love you.*
