“ I worked with Bobby at Coker Fuel while in High School DCT program. We soon became buddies and rode down the roads laughing and playing jokes on each other and the other staff. We fixed a lot of things for some good Hardee County folks. One of our pranks once involved Baxter Melendy , he drove a full truck and we caught him behind the house one day filling a tank. Bobby pulled up there. I jumped out and shut the truck off switched shut the pump off and we took off he came in that afternoon. He was so mad he couldn't take a joke I know one of you did it, he said, of course me and Bobby said wasn't us. 45 years went by I moved back to the Wauchula area and met up with Bobby and Jimmy Smith. We had breakfast together a couple of times and it was so sweet to see him and Jimmy we sat and talked about all things we had done for Bobby to get up there and wait on me, I can say you were a true friend and I loved you. I watch the kids grow up and spent the night there a couple of nights at your house. God bless you and if you need anything, let me know. Goodbye, Bobby.
