“ Our family was blessed from the start when we meet Byron. He took us in right away. The love that his entire family has was contagious. One of our best memories is Byron and Johnny always playing guitar together at all our gatherings. Love, love, loved this man. Byron you will never be forgotten. Rita, Bryon, and Johnny you all mean the world to our family and we are so blessed to have had the time we did with Byron. Love you all <3
