“ Was so shocked to hear this for the first time today. I know we haven't seen him for a while but i just figured we were just showing up on his days off ( the new store is closer to us but we were in Lake Gibson often too) Can't believe there was no known presentation at the store level. He truly was a highlight of shopping at lake Gibson, always so helpful and brighten our day with a hello and the latest news. My husband worked with him at Searstown when Cecil was the manager and upon him coming to lake Gibson they recognized each other quick and resume the friendship. Cecil knew the parents as well and was quick to introduce himself to me and offered advise on the best selection when he see us shopping. Always smiling and very friendly, he truly loved his job and life in general and you always walked a way with a smile and a little more knowledge after a conversation with him. Lake Gibson lost one of their best as well as Publix in general.

GK

Cecil was my assistant at socrum loop and lake Miriam. Don't be surprised there was no known presentation at store level about his passing. Publix doesn't give a damn.

“ *I'll never forget the support he gave us both when we were moving into our apartment. We literally wouldn't have been able to do it without him, and we never would have gotten that couch up those stairs if he didn't come help. Even when Cecil had work that day he still helped us. That's just the great man that he was. A great man and an even greater father. I wish we got a chance to have a real father son-in-law relationship. You will be greatly missed. Love you suegro. And like I promised I will always do my best to take care of Victoria. Rest easy.*
