

## Charlton Sadler

February 6, 1942 - December 27, 2022

Charlton Sadler, age 80, of Bowling Green, Florida passed away at home on December 27, 2022.

Charlton was born on February 6, 1942, in Brooksville, Florida to parents Evey Nadona Sadler and Mary

Viola (Brooks) Sadler. He has lived and traveled all over the United States.

Charlton was an inventor

and had 11 patents, some of which were a porcelain solar panel, a static lightning dissipater, and a

porcelain knife sharpener. Charlton and his wife, Jean, were in the radio and television tower business

(National Tower Corporation and National Service Company) for many years where he built, climbed,

and repaired towers. He also was a partner in a motor rewinding business,

Gulf Coast Electric Service, in

Brooksville, Florida. After inventing his lightning dissipater, he was also part owner of Lightning Master

Corporation at one time.

Charlton was preceded in death by his parents and by his 11 brothers and sisters: Willie Franklin Sadler,

Lewis Sadler, Clifton Sadler, Alton Sadler, Don Sadler, Roy Sadler, Forrest "Pete" Sadler, Reatha Sadler

Bembry, Alma Sadler Bunch, Alice Sadler Carlton, and Clara Vee Sadler. He

was the last sibling to go home to be with the Lord. Charlton was also preceded in death by his mother-in-law, Estelle Albritton, brother-in-law, Dale Albritton, and father-in-law, Lloyd Albritton.

He is survived by his loving wife, Jean Albritton Sadler, daughter, Amy Sadler Duke (husband Daniel), and two beautiful grandchildren, Abby Duke and Trenton Duke. He is also survived by his sister-in-law, Pat Albritton and many nieces and nephews.

He and his stories will be missed. For those wishing to make a memorial gift please consider:

“ I met Charlton when I was doing the Census in 2020. He was an interesting fellow with many stories to tell. We became close as I tried to help him focus on one or two projects (and not 20). I don't think I was much help other than getting one patent filed for him. But I will remember him forever.
