“ Mrs. Cherry, u are gonna be missed so much. I enjoyed every minute I got to work w you, u were such a joy to be around. (A couple of times maybe not so much) lol but you always were in good spirits, and you would always make me laugh, I will never forget the time we both just started laughing for no reason at all then you tell me to shut up n start laughing again. We laughed till we had no more laughter. I've got so many memories w you and I thank you for them. U were a great woman and i am gonna miss you tremendously.
