“ My thoughts and prayers are with Danielle's Family. Such a tragedy and her life ended way too soon. I will always remember Danielle's smile which everytime I seen her she was always doing. My thoughts are also with her babies. Danielle, DJ, Jay, and Lynn were basically our first neighbors when we moved here to Hardee. My heart breaks for them and I am praying for them also.

“ Danielle or Dani as we called her was my best friends since I can remember. We laughed, cried, danced and acted silly together. Though we may not have spoke or seen each other like we should we each knew if the other one needed something we were there. To her mom and brothers, I am truely sorry for the pain your are going through. For her children, know that your mom loved you with everything she had.  
Danielle, you were truely a great person that had a heart as big as this earth. I will miss you but you will never be forgotten. For know each of us have another angel in heaven on our side.

“ I meet Mrs. Danielle Guevara in Girl Scouts 2 yrs ago. Mrs. Danielle has a JR troop that she truly cared for. I would seat in the back with all the other moms and I would watch Mrs. Danielle run her troop. She would have all her girls seated and she hand out each girls project, then she would go around the table to give them a touch on the shoulder or a pat on the head and spoke to each one,telling them what great work they were doing. She took great proud of how she dealt with each one of her girls.Like they where her own daughters. Mrs Danielle will be truely missed in the Girl Scout, but not forgotten we have a little of her in all of us who knew her for a long time or who knew her for a short time. I just wish I gotten to know her better.

“ My deepest of sympathy goes out to the family, but mostly to the children left behind. My grandsons heart breaks for his class mates. he wants to talk with them and let them know he is theree for him but they were told not to talk with them,I really don't agree as children to need confort from their friends and classmates, so he wanted them to know he is there for him if needed. My grandsons name is angel and he there anytime you need him even if its just to sit together in silence.May God confort you all and embrace you all when in need.may Gods blessings pour out all over you all.
