“ When David and i Dale Gibbs were attending Zolfo elem school back in the 80's we went to the the halloween carnival there, where he dressed up & was painted green and wore torn shorts and no shoes he was the HULK and he won first place that night after that we went to eat and have fun all the rest of the night...over the years i called him Hulk and he said to me that i was the only one who even remembered, He was my best friend and everytime we saw eachother we gave a friendly hug and a hand shake and said well we have made it this far in life lets see how much farther we can go. well my friend i lost you along the way and its going to be hard to go on without you and also with our friends we both lost like Leo Blue jr this year. the Triple odd squad is down to just me now. i hope you gave you life over to God i want to see you both in heaven but until then...sleep as then bibeles says thatn you are now doing.

“ *David is the best friend my brother ever had. He was kind and funny and loyal. I remember in the "hair days" of the 80's giving him a hair cut at my house. He always had a smile and although i have not seen him in well over a decade he will be missed by me and my family. Go Rest High On that Mountain David.*
