“ Debi was a wonderful friend when we were at Enon Elementary. One of our classes was with with Mrs. Fore in 1st grade. We played at each others houses and I especially remember her house with the spinning wheel. I loved reconnecting with her after all these years and her faith in God was a strength to me. See you in heaven Debi.

“ Jesse and family, I was introduced to your mother on facebook by Deanna. I wish I could have met her in person. She always had something cheerful to tell me. I will miss her sharing her laughs with me and her well wishes during bouts of illness. God allowed me to have a long distance friend and I am grateful. My heart felt sympathy to you all. Sincerely, Frankie Diane Fore Grand-daughter of Bernie Fore and Lavinia Robinson Fore
