“ *My thoughts and prayers are with you and the entire family during this great loss. Between tears, I have had a nice time remembering Debra. She always had a way to make me smile. And being an Alabama girl myself, her Bama phrases always cracked me up. She will truly be missed, but I assure you those who knew her were truly blessed. May God keep His hand upon you during this time and help you deal with your loss in His way and help to heal your wounded hearts. Much love and prayers, Teresa*
