In Loving Memory of Destiny Lynn Chambers

Destiny Lynn Chambers, born October 17, 2007, in Arcadia, Florida, passed away on February 18, 2026, at the young age of 18.

Destiny was a bright light in the lives of all who knew her. She carried a free spirit and a joyful heart, always finding happiness in the simple things she loved most — horses, the outdoors, big trucks, music, four-wheeling, laughter, and especially her family. Her smile could lift any room, and her presence brought comfort, fun, and warmth to everyone around her.

She is lovingly survived by her parents, Alexis Midkiff (Wesley Murphy), Joseph Midkiff, and Lathan Chambers (Casey Chambers); her siblings Anthony Olvera, Katlynn Chambers, Lane Chambers, Michael Sexton, Savayah Baggett, and Serenity Midkiff; and her grandparents Brenda and Thomas Yost, Barbara and Lloyd Gill, Billy and Elisa Sexton, and Brenda and Jerry Baggett. She is also survived by many extended siblings, cousins, grandparents, family members, and friends who will forever cherish her memory.

Though her time here was far too short, the love and memories Destiny created will live on in the hearts of those who loved her. She will be deeply

missed and forever remembered.
