“ *grandma you were always there for all of us. you gave great advice without ever pushing us. you brought me and mom closer together and now were inseparable... thank you for that. i could always go to you when i had a problem or when i just wanted to see my grandma. i have many great memories with you. the trips to Georgia, sewing, going to lunch, but i think our best memories were made just sitting in your living room talking. i love you with all my heart and i know your in a better place. im happy that your finally getting to spend time with dad and other family members. i know you were ready for that. give dad a big hug and kiss for me. i love you grandma.*
