

## Donald "Donnie" Hugh Canary

March 18, 1978 - February 23, 2014

Donald "Donnie" Hugh Canary, 35, of Wauchula, lost his life on Sunday, February 23, 2014. Donnie was born in Homestead, Florida on March 18, 1978. After graduating as a proud Wildcat from Hardee Senior High, he earned his bachelor's degree in business and finance from the University of Florida. Donnie was the Senior Executive Vice President of Commercial Lending at Wauchula State Bank. An active member within the Hardee County community, Donnie participated in Kiwanis, touching many lives. Donnie was a loving, devoted husband and father.

He is survived by Lauren English Canary, his wife of 13 years, and his two beautiful children, daughter, Laina, 7, and son, Bryan, 4, of Wauchula. He was the adored son of Diane Justiss and Jamie Justiss, both of Wauchula; the treasured grandson of Bryan "Gene" and Virginia Ingram of Wauchula; the dedicated brother of Daniel and Kimberly Canary of Wauchula, and Gene and Megan Justiss of Bowling Green; the beloved son-in-law of Dana and Idania English of Wauchula; the cherished brother-in-law to Ray and Kristen Rivas of Wauchula; and many aunts, uncles, cousins, nieces, and nephews.

Donnie was a man of integrity, known for his infectious smile and contagious laugh; he warmed the hearts of many and will be forever missed. "I thank my God in all my remembrance of you." Philippians 1:3.

A memorial service will be held at New Hope Baptist Church on Thursday, February 27, 2014 at 4:00 p.m. All are invited to attend a celebration of life gathering at the Canary home directly following the service.

In lieu of flowers, an annual college scholarship has been established in Donnie's memory. Please contact Wauchula State Bank for more information.

“ He was a friend who became family. He gave advice when I needed it and never held back on criticism if he thought I was headed down a wrong path. We believed in very different ideas and yet shared the same values on family, work, friendship, and above all in being honest in our opinions. What I learned from him will stay with me forever. I lost a friend but have gained his friendship for a lifetime. Rest in peace my friend. I will see you later.

“ *Donnie, in his time meant more to this community than any individual of his age will be able to replace. However, his impact can be split amongst us. If we were hurt by his passing, then it is our responsibility to have a conversation with ourselves ....what about Donnie do you miss....be that.. I miss his work ethic, I miss that thing he had to change a mood when he walked into a room. I'm not sure how many people were at the funeral, but lets call it 500... No one of those 500 can replace Donnie, but if just 100 of us take it to heart too be better at that thing we miss the most about him then maybe we can equal the loss. Then, if just 20% give 20% of Donnie gave we're a better place. Donnie was Donnie, and as a community we need to make sure his babies know what he meant to us, tomorrow, and thirty years from now.*

“ *"Lauren, Diane & Jamie,*

*I know no matter what I say it will never be enough to express how sorry I am for your loss.*

*Living beside you all when the boys were young and seeing them in the yard every day and bouncing across the pasture to come and get the girls to play, will always be the "Greatest Memory".*

*But even after we moved and there was a time of absence. I saw Donnie after he was married and a baby on the way. It was just like we had seen each other every day. We talked and laughed. And as always his smile and dimples had not changed one bit.*

*We then moved back to Wauchula and I would see him town or at the ballgames and every time I saw him he was the same.*

*He touched the heart and lives of many. Just know how much he was loved and how much he will be missed.*

*My thought and prayers go out to all who knew him and knew what a wonderful man he was. God Bless*

Lauren, Even knowing how our hearts ache for the loss of Donnie, it can never come close to what you, your families and his friends are feeling. Nothing can ever take away the wonderful memories form high school football to UF to marriages to children that all of you have. These memories are what he was and how he will always be remembered. I will continue to pray for you and your children/family, his family, Queet and Megan and the rest of his friends that these memories will help ease your suffering and pain.

*I still can't believe it and I don't want to believe it. I cannot even imagine your sorrow and hurt. He was such a great friend in school. Not only that he was an awesome Uncle to my niece and nephews, they always looked up to him. You are in my thoughts daily. I want you to know that we love you so much and wish we were there to give you a big strong hug.*
