“ *To the Boyette family, so sorry to hear that Donnie has passed. You will be in my thoughts and prayers. Memories of him was when your mom and dad would bring you over to play with us as kids, he was always a good batter in soft ball at school, always a big cutup and joker on the bus, he was my best friend Brendas' boyfriend, and let not forget all those big farts he could put out and we would all have a good laugh! My heart breaks for you all and know one day you all will meet him again, R.I.P. my friend, Frankie Conley Kelley*
