“ Klein Family, I know Jason, Eileen and Riley from Childcare Network as my daughter Ashlyn and Riley were in the same room. I saw Eileen and Riley every morning as we either exchanged hellos or waved to one another passing on the road. I truly admired Eileen as she was such a beautiful person and had the sweetest personality to go along with her beauty. I still catch myself looking for Eileen and Riley each morning but will forever hold the memories of that beautiful family. With Love and Prayers, Scott, Brenna, Addison & Ashlyn Hoffman
