“*To the family we have a great loss, but she is not suffering anymore, she is home now. Aunt Ella was a blessing to me and my husband. We had only met her about 5 yrs ago. Hearing the stories about my dad Merle and the way she told them and the pictures she gave us, and we always took of her, was something I never thought I would get and we will never forget. We will cherish them and our time and with her forever. Our condolences and prayers go out to the family. To Aunt Ella I Love you and Mike Loves you and we will forever. Thank you for everything Aunt Ella. God Bless you*

“*I am so very sorry to hear of Mrs. Ellas' passing. She was always a very good friend to my family. The last time I talked to her was at Granny Bones' funeral and she seemed to be doing well at that time. She will be missed. Love, Therrill and Nihla*
