“ I will forever miss My Aunt who I know in my heart loved me without doubt. She took me in once when I was small and loved me like her own while my Mama was in hospital. She and my uncle let me and my family live in a camper in her back yard so we would not be homeless. I loved going to East side Baptist and singing in the choir with her and Uncle W.T. She was always full of life, had a smile for everyone, loved talking, never met a stranger and loved her coffee ;) I loved her and I will regret not getting to see her and hugging her neck before she went HOME. RIP Aunt 'Flora May' I know W.T. was waiting on you with his big beautiful smile.

“ I'm so very sorry that i'm not able to play for Flara's funeral. It would have been an honor to do so. But since I've been exposed to covid, I had better stay away. I'm going to miss her so much, and all her stories from her past were so interesting. I feel so blessed to have known her. She will be missed by all. Our thoughts and prayers are with all of you. Much love Karen Drake
