“ *Condolences to the Braddock family. Knowing Jayme and his family personally, I wanted to say how sorry I am about the loss of your brother. May God give you comfort and peace as you deal with your loss. A road we all must travel, but knowing Christ makes it a much easier road, in knowing that 'to be absent from the body is to be present with our Lord and Savior!'. God bless you!*

“ Grayson was an ordinary humble man with loads of wonderful sayings and clichés.
We loved to hear him teach Sunday School and play his guitar.
We always felt welcome and at home with him and his wonderful family.
Love and prayers to all of them.
Special love to Patti and Shirley from Marsha and Nina McMillan.
We are praying for minute by minute strength for you.
Remember, breathe and hold him close in your hearts, it helps....

“ *Mr. Braddock in my eyes was my daddy's best friend! I love his southern drawl; his mannerisms; his laugh && his willingness to help others. I used to love seeing Mr. Braddock at my parents house. In fact when him && daddy found Gizmo I originally wanted to name him Grayson but of course Mr. Braddock wouldn't have any of that haha! Mr. Braddock you were one in a million sir. Thank you from the bottom of my heart for being a true friend to my daddy && a beyond wonderful human being! I'll miss you! My condolences to you Mrs. Braddock && your wonderful family!*

“ *Grayson was like a brother when we was all teenagers. We would all go to there ranch and love to watch them ride the horses rounding up cattle. Then after that they would roast a hog our all the women would cook wild game. He always made us all laugh. He was always so sweet and thoughtful. He will be greatly missed. Our thoughts and prayers are with the whole family. With love, John and Jeanna Powers Odum.*
