“ Uncle Huey was one of the most important people in my family as I grew up. Ramona and I lived with him and Aunt Faye before I even started school. I remember trips to panama beach with Lena, Hazel, Mr and Mrs Summers and other family members. He was such a Blessing to have in our lives. I will always remember that beautiful smile when he walked into a room full of people. He would light up any family get together. I loved when he played his guitar and harmonica and sang. He had a most wonderful way of praising God. I love you Uncle Huey.

*I remember as a young child, Uncle Huey would drive all the way from Ft Meade to Wauchula to pick me up to take me to church in Ft Meade and then bring me back home afterwards. He always wanted family and friends in church. Lot of memories with him at church and family gatherings. He will be missed.*
