“ Jacob and I met through his older brother. I think he was maybe 11 at the time. He was always so goofy, a ray of sunshine, and trying to make everyone laugh. I never remember Jake in a bad mood. Most of my favorite memories as a teenager are with the Yoder family. My thoughts are with all of them in this devastating time. He was so excited to be a dad to Baby Melody and share his life with Monica. We will always remember you. Sending love to everyone missing that piece of sunshine in their life. 💖

“ *Jacob, You became a friend, and a brother to me in a very short matter of time!! In the amount of time and days that I knew you, you could light up any room or situation, and bring laughter and happiness to anyone you came in contact with. Jacob was big in talking with his hands and and even quicker sometimes with his words and the way he spoke. One thing is for sure you were a mountain of endless energy that every single one of us now carry in our hearts and souls. You will forever be remembered for the precious memories you brought into our lives. The times when we needed you most, you came and you showed out. You never let us down. And how you loved to talk about being a brand new father of your beautiful baby girl. Melody and Monica became your greatest joy and love in this world. You were an amazing Man,Son,Father,Partner, And Brother! You my friend were the last of a dying breed!! This just goes to show that the saying " Only The Good Die Young" is absolute Fact!!.... You will forever be loved and missed Jacob. We will carry you with us in our hearts until we meet again. Until then, watch over us and keep us from any harm that may come our way. You are now Resting High On The Mountain! My heart breaks and finding the correct words to say just seems impossible. Words can't say enough for you or explain the pain we feel in losing you. Love You Brother!!!! WITH RESPECT, HONOR, AND LOVE, YOUR FRIEND/ AND BROTHER SEAN T. YOST*
