“ *Hi family I wanted to send you my prayers. It is times like this that our memories become so precious. We all have great memories of Eddie and our younger days. If I know Eddie he is now making even greater memories in Heaven with his loved ones. Pam, Peggy, Grace, Jimmy, and the complete family, I am sorry that I wasn't able to be at his service today, to let you know how much I love you, and I will always be here if you ever need my support. I don't have the words that are needed, but I want you to know you are the center of my thoughts. I will remember back on some of Eddie and my younger ventures. He has been an important of my life, and I will cherish those memories. Love you all. Kenny*

got parts from eddi and maurice in 1960s. there was no doubt they loved their job.they were happier selling auto parts than selling stock on wall street!! to Willie and the Gilliard Family ,theres a lot of local folks that will never forget them! And when you remember them they are still here in your hearts.Hope this helps a little,Iwas proud to know them!
