“ *Beautiful Jenese, you were such an amazing person inside and out and you coming to Hardee County was one of the best things that happened to everyone in this town. It was such a blessing to get to know you and be friends with you, because to the people who weren't...they sure did miss out. You touched my life and the lives of many others in the short time you were here. I can't believe you're really gone, but I will forever hold you in my heart beautiful girl. I can't stop thinking about you and all the funny memories we ever had! You were so perfect and although we don't understand why it happened, God gained the most perfect angel ever. We love you so much sweetheart, may you rest in peace and watch over us all. Gone but never forgotten! <3*

“ She is a beautiful soul. Always smiling and making everyone smile.. we never really hung out but it hurts still because just her presence on this earth made the world a better place. She will always be in our hearts. She is what every human being wants to be... my prayers to her family and her boyfriend Mikey...
