“ *Mrs. Medlock & family, I remember Coach Medlock from his years in Greensboro, Alabama, especially his time as my teacher at Greensboro High School. He was one of the most respected young men of that town, and my father Edgar Torbert, Jr., was so very proud of Coach Medlock's career accomplishments after he left Greensboro that he regularly reported his latest accomplishments to me. My condolences to all of you.*

Mrs. Medlock and family, I was saddened to read about Coach Medlock. I've known him all my life as he was a star athlete and an outstanding academic student at Greensboro High School. But I knew him as a member of Greensboro Baptist Church as well. My parents, James and Imogene Key, thought the world of Coach. He was such a respected coach and educator at Greensboro High School before going to Mountain Brook. He also contacted me when he was in Lancaster, PA to run a clinic at Millersville. Hearing from him was such an honor. More importantly, Coach was a dedicated man of faith who loved His Lord. My deepest condolences to each of you, but rest in the comfort that he was an accomplished gentleman who shaped the lives of an untold number of young people by living his faith.

“ Coach Medlock was my 7th grade homeroom teacher. He had part of the old "Ag" building at Hardee Jr/Sr. High School. We used to bring him flowers and since he did not apparently own a vase, he would put them in a coke bottle. He was very sweet about it. What A GREAT GUY!
