“ I remember Jerry as a gifted athlete. Wired for speed and quickness, him and John Yates showed immediate promise back in the days of the Hardee Junior High Wrestling Club...which didn't last long. Despite a wrestling room being included at the newly built high school, a team never got started. Still Jerry and John, despite being small in stature earned the nickname the "Bruise Brothers" by some of us... on the gridiron those 2 would light people up. Way too soon for any in this group to be moving on. Condolences to the family

“ *This is very heartbreaking. I've known Jerry since grade school. He was a good friend and a good person. He is in the Arms of our LORD and Savior now. In my mind he will always be that 16 year old fun loving person with a huge smile. God bless all. Mary (Lovette) in North Carolina*
