“Joan was one of my first playmates. We lived 5 doors apart on Kendal in Dearborn. Joan, Shirley Ewing, Betty Heid and I played together before we started Kindergarten at Robert Oakman. Always went in Joan's side door and upstairs to play with dolls. We played jump rope and kickball in the street and went home when the street lights came on. These friendships lasted into our adult life. I blinked and we are old. God Bless your family at this time and give them peace. Good Night Friend!
