“ Was so shocked to hear of your passing. We go back as early as when you first came to Florida and started working at Maran. Can remember becoming friend with you and Tracy when I was married to Rayburn. Even before any of us had our children. you were always very nice to me thru all the turmoil in mine and his marriage, you were always kind to me and never said or done anything inappropriate. I will miss your smile, thanks for being my friend. My sympathy to your family, Joyce, Rosie and all others. Rest in Peace John.

“ My husband and I would like to express our condolences to the family and friends of your beloved John. We want to share with you the comfort from God's Word found in John 5:28,29. We are given the loving hope of the resurrection of our dear loved ones. The God of comfort also reassures us that He is near to those who are brokenhearted and those crushed in spirit He saves.(Psalm 34:18) We hope you find comfort in God's promises as well as in the many wonderful memories you all made and shared together. With deep respect we offer our sincere sympathy to all of you who knew and loved John.
