“ I am very sorry for your loss. We can look forward to the time when “no resident will say: ‘I am sick.’” (Isaiah 33:24) And God will actually put an end to death when he will “swallow up death forever.” (Isaiah 25:8)

“ I met Joe when I started work at old Dorr Field and he drove the bus. Everyone on the bus always had a good time talking and sharing. After Dorr Field closed and I was transferred to G. Pierce Wood, Joe would drive the car also to take patients that were being discharged or had appointments and he was always a gentleman and very kind and caring. I will miss you Joe, but will see you one day in that glorious mansion! My prayers are with Alice and the family. God Bless each of you.

“ *I visited with Joseph recently and he had been riding around in his pasture checking on the cows. I have known him all my life and am so thankful I had the opportunity to sit and talk with him and Alice. Deepest sympathy to Alice and all of Joseph's family.*
