“ *My grandma was an amazing, strong and loving woman.. She was a woman that was taken for granted and not appreciated and loved the way she should have been... She wasn't perfect but she was incredible in many ways... She helped many people and she taught me how to be strong... I wish she didn't have to suffer so much on this earth but I'm happy that her soul is finally at peace... I love u grandma and things wont be the same without u but I promise to work hard and I will do my best to make u proud... Please watch over me n help guide me through this life...*
