“ *We always went to the State Women's Bowling Tournament every year. I remember I always drove our group to wherever it was each year*

*The last one we went to in Melbourne. She kept asking me are we there yet I guess she asked me about 30 times. Then she got a piece of paper and wrote a note on it that said **HELP IVE BEEN KIDNAPPED AND HELD IT UP IN THE WINDOW OF THE VAN.** Her mamma threatened to spank her butt if she didn't put that note down before we got stopped by the cops. That was the best trip we ever took.*
