“ I was also blessed and grateful to have called this awesome man my "Poppa LC", which I named him looooong ago, being his step granddaughter, who is the mother to his great granddaughter Janiyah Rodriguez. I unfortunately was not able to be there for his day of passing and wish him a peaceful and joyful, pain-free, next life, where I know in my heart, he knew and always did know I will love and loved him from day one bc he and I had developed this special bond- connection, and after naming him with the fitting iconic family name "Poppa LC" he then decided to call me "Krissy" and that's what I was as was he. I will miss him so very much and all the times of him and spending at their old house where he had vegetables growing behind it and animals he tending to, but with anything we did together was a learning fun experience bc of how very smart and knowledgeable about life and all that came with it, that he tried to always pass on in any way shape or form to me. Those times r what I will truly miss that only he & I will have the memories of, me still here on earth, but him up there watching over us, knowing exactly what I'm talking about, something nobody else will ever be able to say they had. I know he knew I loved him AND gammy so very very much over all these years of growing up and living life maybe not the exact way God would want me to, like gammy would say, but living and learning was all we could do and take all the positive lessons learned with us and just never give up, I still right now can hear him saying that to me as I sat on his lap on one knee, even in that ugly velvety green chair 🪑 lol We had and made so many great memories as grandparents and grandchild and I mean just the 3 of us in the different places they lived and I went along for the rides for with them, and because....God made me "their special little helper" and I guess most of these things nobody knows what in the world I'm talking about bc it was just he and I's memories or myself and gammy and his memories to be made and held dear to our hearts forever and prove that everything does happen for a reason even if we don't know the reason, or like the reason or understand the reason. It wasn't our jobs to try and figure that out, but to enjoy every minute we got to spend with each other and cherish the love that My Poppa LC & Gammy always had and

shared and showed me since the very first time I ever even met them when I was just jitter bug. He had something special inside of him that God made for anybody he came in contact with to feel and learn by example the REAL TRUE FEELING THAT THE WORD LOVE IS SUPPOSED TO BE, DO AND WRAP U UP IN, AND HE WILL NEVER BE FORGOTTEN AND ALWAYS BE LOVED AND CHERISHED AS MY #1 FAVORITE GRANDPA, MY "POPPA LC!" I LOVE U SO AND WILL MISS U UNTIL THAT DAY WHEN WE GET TO SEE EACH OTHER AND MEET AND WRAP OUR LOVING SOULS AROUND ONE ANOTHER'S AGAIN!!! I AM KRISTA INEZ PERSKY, THE DAUGHTER OF ONE OF HIS DAUGHTERS JOYE M. PERSKY, ALSO THE MOTHER OF HIS GREAT GRANDDAUGHTER JANIYAH ROSE RODRIGUEZ, & GREAT GRANDSON KENNEDI KIERYN MULLINGS AND WE ALL SHARED SO MUCH OF HIS LOVE WITH HIM AND I AND MINE, NOW TOO, THAT I AM THANKFUL TO THE END OF MYYYYYY DAYS ON THIS EARTH & HOPE THAT WHAT HE TAUGHT ME WILL BE PASSED ON TO OTHER GENERATIONS OF OUR FAMILY FOR YEARS TO COME IN THE FUTURE!

“ My name is Genell Richey, Lawrence was like another grandpa to me and I loved him and respected him, I have a lot of memories of him, but one I'll never forget is the time I spent the day with his grand daughter Heather at his home on Parnell and her and I rode the four wheeler all the way to the back of his cow pasture and then we sat in the hot tub. I will never forget you papa, love you and I'll see you soon. A wonderful Cowboy 🐄🐄🐄🐄
