“ *My dearest niece Lila,
I have loved you ever since I knew you were going to be. How proud and happy I was the day you were born!!! Then the thrill of holding you, watching you grow into a lovely young lady, beginning to date, marry, and have a lovely family.*

I will always treasure you, the visits you and your family paid me by driving all the way to St. Cloud.

Loving you and missing you.

Always,

Aunt Judy

Lila was one of my best friends growing up. We were hardly ever apart. I remember the family, and the losses they had, After a while we all moved away or got married and lost touch with each other, But Lila was always in my thoughts. You will be missed greatly. But I know you are in a better place now.

*Sincere Condolences
