“ *I will ALWAYS be grateful for the things you did for my family. I could not have done it without you. My children have always had two mothers, and they are grieving deeply.*

“ *What a wonderful way to remember Linda with a donation to the ESE of Hilltop where she loved on those kids each day for years. They were her babies and she let you know when you talked to her. Such a kind and wonderful person will truly be missed by everyone who knew her. She is no longer in pain and free to laugh all the time in heaven.*
