“ To me this was not Mary. This was my Mema, she was my only surviving grandmother. She was funny, kind and stubborn at times. We talked on the phone almost everyday and I would see her every chance I could. Fly with the angels Mema, you earned those wings and I’m deeply proud to be your babygirl. I love you so so much and will miss you each passing day.

“ Mema’s importance and impact on the Rogers family can’t be overstated. She was the matriarch and we all loved her so very dearly. She’d give anything to those in need, she’s in a better place, a place she’s earned a very long time ago.

Rest east mema. I love you.

Austin.
