“ My most deepest sympathy goes out to all of you. You had a great mother that all who knew her loved her. Now she's in Heaven with our Father. May God embrace each and every one of you and embrace you when you are sad or missing her I pray she will appear in a dream one night and let you kknow that all is well. As I know this will confort you. It took almost 10 months but my mom finally came to me in a dream and said she was ok. I pray and love you all.

“ Sorry for your loss. I know exactly what you are going through, but you have each other brothers and sisters pull together and help your Dad make it through this, He will need you. You are all lucky you have so many of you to confide in, I wish I did. It gets lonely being the only one left in a family so dont let a moment escape you love each other. Time is precious. Susie
