“ *Such a sweet, sweet woman. Never did I hear anything bad coming out of her mouth. Always so positive and sweet. She will be missed.*

“ *My aunt, Marion (Jones) Cutchen let me know Mitzi had passed away. My first words to her were, "My daddy always loved her." My daddy was Billy Jones. He talked of Mitzi my whole life and looked forward to seeing her at the Brantley reunion. She was a favorite cousin of his. I remember her as a beautiful, classy lady who always had an engaging smile and a kind word. My mother, Minnie, and I would like to express our condolences to the family.*

Although I lived many years away from Florida, I have the fondest memories of Mitzi as young girls. We played together - jacks and dolls. She was a beautiful child and a most lovely woman. We will all miss our cousin.

“ *Aunt Mitzi and Uncle Pete were such a memorable part of my childhood being great friends with my mom and dad and our friendship and connection remained strong into my adulthood. She has always been so kind and loving to me and we even talked a couple of times after I moved to ND. I was blessed to teach both Travis and Tyler, which strengthened our bond. She is truly a blessing. Much love to the entire family.*

“ *Pete and Mitzi and Milton and I were best friends and raised our children together. I have so many special memories that will never be forgotten. To Randy, Ricky, and Cyndi, don't let grief overcome you. Remember the good times and never forget how much your Mother loved you. She was a very special person!*

“ *I have many memories of Mitzi. She was a wonderful lady. My husband worked with her husband, Pete, for many years. When they farmed, we would go down to the farm on the weekend and fix lunch for them. It was there that Mitzi taught me to fry cornbread! I will cherish that for as long as I live. May seem trivial to some, but it was important to me. I thought the world of her. She will be missed greatly!*
