“ I always thought Nana was the girls grandmother then I realized she was their great grandmother. My heart hurts because Alzheimer's took her life the past few years. Now she's in heaven and Alzheimer's went hell where it belongs. I've known Nana for more than 15 years and there is no one else like her and never will be.
Love you Nana

My prayers and love go out to Tammy, Chelsea, Faith and Savannah. Also to Kathy, Heather, Logan and Trevor. 🙏💕

Grateful to have taken this walk with an amazing lady & family. An incredible gift it was for me to be apart of Ms Juanita's life for the past year and a half. Although by the time I met her, communication was challenging, we were able to speak a unique language.
Every caregiver has that one patient they'll never forget....
Rest peacefully sweetheart.

Juanita is my Aunt...she is my dad's sister. My grandma (her and my dad's mom) also had Alzheimers. My dad had a form of it as well. It is horrible and can strike anyone. I have not seen Aunt Juanita for many years but it still hurts my heart to know she had endured her last years battling this. I remember when she came to Washington to visit my family her talent for sewing. I always wished I had her gifts of various talents. Condolences to her family! Rest in peace Aunt Juanita <3!!
