“ My sister-in-law, Libby. You were always so kind, sweet and so much fun to be around. I'm so glad you came into my brother's life. He loved you with all his heart and that will be forever. I will miss our get togethers at Cocoa Beach. I can just hear God say to you, “well done good and faithful servant”. You had a big heart and anyone that was around you knew it. What a glorious reunion you must have had seeing your loved ones that went before you. My husband being one of those. Give him a hug and kiss for us. It doesn't seem real that you are no longer with us. My love and prayers go out to the family. Until we meet again. I love you girl.

“ Libby has been one of my closest and dearest friends for over 20 years. We have shared many joys and sorrows and she and Kenny are family to us. She was such an incredible person, great friend, role model, and so very important to so many people. Anyone who knew Libby loved her. I will miss our birthday dinners, girl lunches and chats. She was always encouraging and full of wisdom, made you smile and laugh, and always made you feel better. I am truly blessed to have such a wonderful friend. My heart breaks for Kenny and all of her family, she loved you all so much and always talked about you. It's hard to understand Gods plan right now but we have to trust in it. I know she's in Heaven with Jesus and her mama, and I will see her again one day. Praying for peace and strength for you all during this grieving process. Lynn Gillispie
