“ I was privileged to have known Norma for close to 30 years. I lived across the street from her for 20 years. I got to have wonderful visits & discussions with her over those years. She watched my boys grow up, always interested in all they were doing. We enjoyed the homemade cookies and fudge she'd send our way at Christmas. Speaking of Christmas that lady decorated a giant Christmas tree well into her 80's. I expressed my concern for her safety, but she assured me she had her cell phone in her pocket if she fell! I know she so enjoyed hosting her family during the holidays making everything festive. We will miss her as will many in River Wilderness. Our sincere condolences to the family, The Hausingers, Joanne, Jeff, Andrew, & Joe

“ She was a teacher that I have always remembered. I made my first dress and with 3 other girls cooked our first meal. I graduated in 55 and was 9th grade when she taught. I just never have forgot the memories that was made. My prayers are with the family.
