

PATRICIA GRICE GUGLE

August 24, 1946 - July 22, 2020

Patricia Grice Gugle, 73, of Wauchula, passed away at her home on Wednesday, July 22, 2020. She was born August 24, 1946 in Wauchula, the daughter of fifth generation Hardee Countians, Matthew Grice and Pearl Albritton Grice. She graduated from Hardee High School in 1964 and from

Florida State University in 1967 with a B.S. degree in Home Economics. She was a member of the honorary Home Economics sorority, Omicron Nu, while attending FSU. She began teaching in the Hardee County School System in December 1967 at Bowling Green Elementary and transferred to Hardee High School in the fall of 1968. She taught Home Economics there for 30 years, until retiring. While teaching, she earned her Master's degree in 1982 from the University of South Florida in Adult and Vocational Education.

Patricia occasionally taught evening classes for South Florida Community College. Along with her love of teaching, a large part of her life revolved around her church. She was a member of Fort Green Baptist Church and served as the Church organist. She had taught Sunday School for many years. She served on the church Decoration and Beautification Committee, the Ladies Night Out Banquet Committee, the Church Music Committee, Vacation Bible School Decoration Committee, and the Wednesday Cooking Committee.

She served as one of the directors of the College Hill School Committee. She also served as secretary and treasurer for this group and helped sponsor the yearly College Hill School Reunion for anyone who had attended school there. Pat helped preserve the building and continue its traditions.

Mrs. Gugle served on the Round-Up Board of Directors with the Peace River Electric Cooperative. She represented District One by helping make decisions concerning assistance to needy individuals and groups who applied to this board, which also administered thousands of dollars in scholarships each year.

She was very interested in genealogy and had traced several Hardee County family trees and compiled the findings into folders and presented copies to friends and family.

Survivors include her one and only and much loved daughter, Stephanie Anne Gogle of Bowling Green, and many cousins.

Funeral services will be on Monday, July 27, 2020 at Fort Green Baptist Church at 3:00 PM. Visitation is 2-3 PM. Interment is at Paynes Creek Cemetery. Pastors Ricky Dyal, Albert Blum, Roland Davis, and Hollis Albritton will officiate.

“ My deepest sympathy to Stephanie! My friend, Pat, I am so sorry that i will not be able to be there today to wish you a fond farewell. I have so many memories for our times growing up in Bowling Green and then Jr. high and high school. Although, we didn't get to see each other unless it was for a special occasion, it seemed as if we never lost touch.

It is well with your soul, now sweet friend and peace is with you! I know you are playing the piano and singing with Jesus!!!

I Love You, Beverly Cooper Hines

“ I shared many lunch dates with Pat and Steph at the Cracker Barrel on SR 64. She was always dressed to the nines and accessorized beautifully. She was gracious, funny and one of the sweetest people I have ever met. The REDD family is blessed to have known her. We are grateful for the amazing daughter she raised. A wonderful sister, sports enthusiast and child of God. Peace to you Pat, hug Randy for us.

“ I worked with Pat many years at HHS. Eleven took one of her cake decorating classes! . 😊. Had the privilege of attending several Ladies’ Night Outs at FGBC; she always did a great job with those. I enjoyed hearing her play the organ. She will be missed.

“ Pat was one of the first people we met when our family moved here. She taught our daughters Home Ec & loved us all!
Kevin, aka "the pizza man", was invited, several times to come to her class & teach her students how to make pizza from scratch vs from a box.
Pat, you're missed, but we'd not have you miss a moment from Heaven to come back to us.
Rest well, dear friend, you've certainly deserved it.
Stephanie, you're in our thoughts & prayers.

“ Trisha was my best friend from about age three through high school. My family moved from the country as I was turning five. Several times I would get on the school bus and go home with her unbeknownst to my mom. Trisha's mom would call my mom who would say, "ok, just send her back on the bus tomorrow". That story followed me for many years to come. In the first and second grade, Trisha helped me become an excellent speller, a trait that is with me still. I will never forget her. My heartfelt condolences to Stephanie and all Trisha's many friends.
