“ *Patty, aka my "baby sister", was one of the most fun people to be around. She was as solid person as you'd ever want to meet. She loved her Lord, family & friends; life wasn't fair to her but you wouldn't hear her complain.
I miss you, baby sister & am looking forward to hugging you again; we'll have a lot if catching up to do, too!
You'll have a place in my heart, as I know I do in yours, I love you more than my luggage! Until then...*

“ So sorry for your loss. Thoughts and prayers.
Your mom and I go back a long time, I loved her, she was a special
person to me, and she will be missed dearly.
