“ Paul and I worked together at the Highlands County Sheriff's Office for years in investigations. You could always count on Paul to keep your sprits up on a bad case, because he would keep us laughing. He always had a joke ready or a quick response on anything. His smile will be what I remember the most. I ran into Paul about two months ago at the CVS in Wauchula just by happenstance. Was checking out and I heard this voice behind me calling my name. We had not seen each other in about a year and we caught up on our lives. Paul we will miss you very much.
