“ I am very sorry for your loss. You may find comfort at Revelation 21:4, “And he (God) will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” We can look forward to the time when God will take away all reasons for distress and even gives us a hope of a resurrection. (John 5:28, 29)

“ Melinda, I cannot tell you how sorry we are about the loss of Paul. You two have been our "contact from home" for the last 7 years and Ed and I have enjoyed your friendship and fellowship many times. I remember our playground exploits at Lakewood School when we were growing up and the love you and Paul shared in high school as well as over the last 47 years. Congratulations on the longevity of your marriage in a time when so many others failed. You two were a true example of what marriage means! I remember Paul, as the Tower Hill Police Officer, stopping us one night in Tower Hill because we had no tail lights, but very kindly did not give us a ticket. That was when I was married to Jim and we were headed home to Pana. Paul was the first person who came upon my near accident with the B&O train one day on my way home from school when I ended up in a ditch. Paul was a great guy and had a wonderful personality. He was funny and fun and loyal. He will be sadly missed, not only by you, Mike, and Melanie, but his grandchildren, and your many friends. May God comfort you. May you feel His presence surrounding you, and may you find peace in knowing that you will be reunited. Kay and Ed Rice
