“ *What can I say about Pete Granda?*

Well, first of all he was my friend. One that I enjoyed talking to when I had the chance to see him when he was out and around town. I regret not going to his house to visit, but never in my dreams would I have thought of him going before me.

Pete was always willing to help me and of course he and I had some very long interesting conversations about all kinds of things with a lot of fishing stuff there at the oil change store.

I will miss you Pete and my thoughts and prayers go out to Theresa and your children as I know they will miss you also.

God Bless Your Family.

Sincerely,

Robert Crews
