“ We have known Pete and his family for many years and there could not be a kinder, more friendly person than him. We are especially fond of Irma and his sisters, Olivia and Sallie. They have all been good friends over the years. All the years we worked at the Post Office I saw some of them nearly every day and was always glad to see them come in the door for I knew it would be a pleasant visit. Our love and prayers go out to all Pete's family and we will always remember him as a fine man.  
Blessings,
