“ *We are saddened by the news of Mike's passing. He was such a vital person and had a wonderful personality that will be missed. I will treasure the memories of the times spent with him, listening to the endless stories that a lifetime of living enabled him to share. And regret that those times have ended. Our deepest sympathy to you, Barb, and the rest of his family. Our thoughts are with you.*

*With love,
Jim and Ruth Harteis*
